CHAPTER 6 – PUBLIC WAYS AND PROPERTY

Article 1 – Municipal Property

SECTION 6-101: DEFINITIONS

The following definition shall be applied throughout this chapter. When no definition is specified, the normal dictionary usage of the word shall apply:

"Sidewalk space" as used herein shall mean that portion of a street between curb lines and adjacent property lines.

SECTION 6-102: OBSTRUCTIONS; GENERAL AUTHORITY

A. The City Council shall have the care, supervision, and control of all public highways, bridges, streets, alleys, public squares, and commons within the city and shall cause the same to be kept open, in repair, and free from nuisances.

B. The city shall have the power to prevent and remove all encroachments, including snow, ice, and other similar obstructions upon all sidewalks and other city property.

D. The city shall have the power to remove all obstructions from the sidewalks, curbs, gutters, and crosswalks at the expense of the person placing them there or at the expense of the city and to require and regulate the planting and protection of shade trees in and along the streets and the trimming and removing of such trees.

E. The city shall have the power to regulate the building of bulkheads, cellar and basement ways, stairways, railways, windows, doorways, awnings, hitching posts and rails, lampposts, awning posts, all other structures projecting upon or over and adjoining and all other excavations through and under the sidewalks in the city.
(Neb. Rev. Stat. §§17-555, 17-557, 17-557.01, 17-558, 17-567)

SECTION 6-103: PROHIBITED OBSTRUCTIONS

A. It shall be unlawful for any person to obstruct, or encumber, by fences, gates, buildings, structures, or otherwise, any of the streets, alleys, or sidewalks.

B. The public ways and property shall be considered to be obstructed when the owner or occupant of the adjacent property permits or suffers to remain on any premises owned or controlled by him or her any hedge, shrubbery, bush, or similar growth within 2 feet adjacent to the lot line, whether there is a sidewalk abutting or adjoining the premises or not. It shall be the duty of owners and occupants to keep trimmed and pruned all such similar growth at all times.

C. Trees and shrubs growing upon the lot line partially on public ground and par-

tially upon the abutting property, or wholly upon the abutting property, and interfering with the use, making, or construction of any public improvement or so that the roots thereof interfere with any utility wire or pipe shall be deemed an obstruction. Such trees and shrubs and their roots may be removed by the city at the expense of the owner of the property upon which the trees or shrubs are partially or wholly located if the owner fails or neglects, after notice, to do so.

D. When any obstruction described in this section is determined to exist, the city may proceed against the owner or occupant of the property adjacent to the sidewalk space as provided in Chapter 3, Article 5 (Nuisances).

(Neb. Rev. Stat. §§17-555, 17-557.01)

SECTION 6-104: SIDEWALK SPACE; TREES; PERMIT

A. It shall be unlawful to plant, or allow to grow, any tree within the sidewalk space without first making a written or verbal application and receiving approval from the utilities superintendent upon payment of the fee, if any, as set by resolution of the City Council.

B. Any tree planted within the sidewalk space shall be deemed to be unlawfully planted and growing and shall, at the discretion of the City Council, be deemed to be a nuisance. Nothing in this section shall be construed to apply to any trees growing within the sidewalk space prior to the adoption of this prohibition.

C. When any such tree is determined to be a nuisance, the city may proceed against the owner or occupant of the property adjacent to the sidewalk space as provided in Chapter 3, Article 5 (Nuisances).

D. No evergreen trees are to be planted on the sidewalk space (terrace).
(Neb. Rev. Stat. §§17-557.01, 18-1720)

SECTION 6-105: OVERHANGING BRANCHES

A. The owner or occupant of any lot, piece, or parcel of ground abutting or adjacent to any street or sidewalk over which there extend the branches of trees shall at all times keep the branches or limbs thereof trimmed to the height of at least 8 feet above the surface of the walk and at least 14 feet above the surface of the street or to the heights otherwise specified by the City Council.

B. Whenever the branches or limbs of any tree extend over streets or sidewalks contrary to such provisions so as to interfere with the lighting of the street from street lights or with the convenience of the public using the street or sidewalk, the city may proceed against the owner or occupant of the property abutting or adjacent to the street or sidewalk as provided in Chapter 3, Article 5 (Nuisances).

C. In the event the property owner is a non-resident of the county in which the property lies, the city shall, before levying any special assessment against that prop-

erty, send a copy of any notice required by law to be published by means of certified mail, return receipt requested, to the last known address of the non-resident property owner, which shall be that address listed on the current tax rolls at the time such required notice was first published.

(Neb. Rev. Stat. §17-557.01)

SECTION 6-106: BARRICADES AND LIGHTS

Any owner or occupant engaged in construction or demolition of any building or improvement upon or near the public ways and property shall protect all excavations or exposures of any kind by suitable barricades or guards by day and by warning lights at night. The failure, neglect, or refusal of the owner or occupant to erect and maintain such protections shall constitute a violation of this section, and the city may stop all work upon the buildings and improvements until suitable protections are erected and maintained in the required manner. (Neb. Rev. Stat. §17-505)

SECTION 6-107: EAVE AND GUTTER SPOUTS

It is hereby declared unlawful for any person to erect or maintain any dwelling or business building within the limits of the city where the said dwelling or building abuts on any sidewalk or street without providing proper guttering and eave spouts to receive the wastewaters that collect on the said sidewalks and streets. All eave spouts erected on any dwelling or business building shall be constructed to drain into the alleys or shall be buried beneath the sidewalks and drain into the streets where it is found to be impossible to drain said eave spouts into the alley.

SECTION 6-108: DAMAGE

It shall be unlawful for any person to willfully, maliciously, or carelessly injure, change, deface, or destroy any street, sidewalk, building, ditch, drain, or grade within the corporate limits. No person shall cause or permit any offensive or corrosive material to be discharged or thrown out upon any street, sidewalk, alley, or public ground.

SECTION 6-109: CUTTING CURB; DRIVEWAY; PERMIT, DEPOSIT AND BOND

A. It shall be unlawful for any person to cut into any paving, curb, or sidewalk for the purpose of constructing a driveway or any other purpose without first having obtained a written permit therefor. It shall also be unlawful for any person to construct a driveway where no curb cutting is required without having first obtained a permit following the procedures set out herein.

B. Before any permit for curb cutting is issued:

1. The applicant for such permit shall deposit with the city treasurer a sum set by resolution of the council for all paving, curb, or sidewalk to be cut. Such sum shall be set on a per-square-foot cost of construction basis. The deposit shall be retained by the city for the purpose of replacing the

paving, curb, or sidewalk in the event the work is done by the city. In the event the city elects to require the applicant to replace the paving, curb, or sidewalk, the deposit shall be retained by the city until the work is completed to the satisfaction of the utilities superintendent.

2. The applicant shall inform the city clerk of the place where such cutting is to be done and it shall be the utilities superintendent's duty to inspect the place of entry into the paving, sidewalk, or curb before the same is cut.

C. All driveway applications shall contain the following information:

1. The addition, block and lot which the driveway is to serve;
2. The location of the proposed driveway with reference to adjacent lot lines;
3. The width of the driveway and type of street surface to which the driveway will connect.

D. Upon approval of said permit by the City Council, the applicant shall be required to build said driveway and complete said curb cut to the city's specifications, including size and type of materials. When the applicant is ready to close the opening made, he or she shall inform the utilities superintendent, who shall supervise and inspect the materials used and work done in closing the opening.

E. It shall be discretionary with the City Council to order the utilities superintendent, under the supervision and inspection of the city engineer or the committee of the council on streets and alleys, to do the work of cutting and closing the paving and charge the costs thereof to the party who obtained such permit.

(Neb. Rev. Stat. §17-567)

SECTION 6-110: HEAVY EQUIPMENT

A. It shall hereafter be unlawful for any person or persons to move or operate heavy equipment across any curb, gutter, bridge, culvert, sidewalk, crosswalk, or crossing on any unpaved street without first having protected such structure with heavy plank sufficient in strength to warrant against the breakage or damage of the same. Hereafter, it shall be unlawful to drive, move, operate, or convey over or across any paved street a vehicle, machine, or implement with sharp discs or sharp wheels that bear upon said pavement; with wheels having cutting edges; or with wheels having lugs, protruding parts, or bolts thereon that extend beyond a plain tire so as to cut, mark, mar, indent, or otherwise injure or damage any pavement, gutter, or curb.

B. Where heavy vehicles, structures, and machines move along paved or unpaved streets, the utilities superintendent is hereby authorized and empowered to allow or deny the said moving and, if it is allowed, shall choose the route.

C. It shall be permissible (1) for school buses and emergency vehicles to use metal or metal-type studs any time of the year; (2) to use farm machinery with tires having protuberances which will not damage the streets; and (3) to use tire chains of

SECTION 6-112: REAL PROPERTY; ACQUISITION; APPRAISAL

The city shall not purchase, lease-purchase or acquire for consideration real property having an estimated value of \$100,000.00 or more unless an appraisal of such property has been performed by a certified real estate appraiser. (Neb. Rev. Stat. §13-403)

Rev. Stat. §17-954, and be adopted by a majority of the electors voting on such question.

C. If the funds to be used to finance the purchase or construction of a building pursuant to this section are available other than through a bond issue, then either:

1. Notice of the proposed purchase or construction shall be published in a newspaper of general circulation in the city and no election shall be required to approve the purchase or construction unless within 30 days after the publication of the notice a remonstrance against the purchase or construction is signed by electors of the city equal in number to 15% of the registered voters of the city voting at the last regular city election held therein and is filed with the City Council. If the date for filing the remonstrance falls upon a Saturday, Sunday, or legal holiday, the signatures shall be considered timely if filed or postmarked on or before the next business day. If a remonstrance with the necessary number of qualified signatures is timely filed, the question shall be submitted to the voters of the city at a general city election or a special election duly called for that purpose. If the purchase or construction is not approved, the property in-

volved shall not then nor within one year following the election be purchased or constructed; or

C. If within 30 days after the third publication of the notice a remonstrance against such sale is signed by registered voters of the city equal in number to 30 percent of the registered voters of the city voting at the last regular municipal election held therein and is filed with the City Council, such property shall not then, nor within one year thereafter, be sold. The procedure for determining the validity of the said remonstrance shall be as provided in Neb. Rev. Stat. §17-503(3).

D. Real property now owned or hereafter owned by the city may be conveyed without consideration to the State of Nebraska for state armory sites or, if acquired for state armory sites, shall be conveyed strictly in accordance with the conditions of Neb. Rev. Stat. §§18-1001 to 18-1006.

E. Following (1) passage of the resolution directing a sale, (2) publishing of the notice of the proposed sale, and (3) passing of the 30-day right-of-remonstrance period, the property shall then be sold. Such sale shall be confirmed by passage of an ordinance stating the name of the purchaser and terms of the sale.

1. Is sold in compliance with the requirements of federal or state grants or programs;
2. Is conveyed to another public agency; or
3. Consists of streets and alleys.

G. Subsections (A) to (F) of this section shall not apply to the sale of real property if the authorizing resolution directs the sale of an item or items of real property having a total fair market value of less than \$5,000.00. Following passage of the resolution directing the sale of the property, notice of the sale shall be posted in three prominent places within the city for a period of not less than seven days prior to the sale of the property. The notice shall give a general description of the property offered for sale and state the terms and conditions of sale. Confirmation of the sale by passage of an ordinance may be required.

All damages sustained by the citizens of the city or by the owners of the property therein shall be ascertained in such manner as shall be provided by ordinance.

C. The City Council may by ordinance create paving, repaving, grading, curbing, recurbing, resurfacing, graveling, or improvement districts, to be consecutively numbered, which may include two or more connecting or intersecting streets, alleys, or public ways, and may include two or more of the improvements in one proceeding. All of the improvements which are to be funded by a levy of special assessment on the property especially benefited shall be ordered as provided in Neb. Rev. Stat. §§17-510 to 17-512 unless the council improves a street which divides the city corporate area and the area adjoining the city as provided in Section 6-212. (Neb. Rev. Stat. §§17-509, 17-558)

SECTION 6-212: IMPROVEMENT OF STREETS ON CORPORATE LIMITS

Whenever the City Council improves any street which divides the city corporate area and the area adjoining the city, the council shall determine the sufficiency of petition as set forth in Section 6-213 by the owners of the record title representing more than 60% of the front footage of the property directly abutting upon the street to be improved, rather than 60% of the resident owners. Whenever the council shall deem it necessary to make any of the improvements allowed by statute on a street which divides the city corporate area and the area adjoining the city, the City Council shall by

ordinance create the improvement district pursuant to Section 6-214 and the right of remonstrance shall be limited to owners of record title, rather than resident owners. (Neb. Rev. Stat. §17-509)

SECTION 6-213: PETITION FOR IMPROVEMENTS

Whenever a petition signed by the owners of record title representing more than 60% of the front footage of the property directly abutting upon the street, streets, alley, alleys, public way, or the public grounds proposed to be improved shall be presented and filed with the city clerk, petitioning therefor, the City Council shall by ordinance create a paving, graveling, or other improvement district or districts and shall cause such work to be done or such improvement to be made. The council shall contract therefor and shall levy assessments on the lots and parcels of land abutting on or adjacent to such street, streets, alley, or alleys especially benefited thereby in such district in proportion to such benefits, except as provided in Neb. Rev. Stat. §§19-2428 to 19-2431, to pay the cost of such improvement. The council shall have the discretion to deny the formation of the proposed district when the area has not previously been improved with a water system, sewer system, and grading of streets. If the council should deny a requested improvement district formation, it shall state the grounds for such denial in a written letter to interested parties. (Neb. Rev. Stat. §17-510)

SECTION 6-214: IMPROVEMENT DISTRICTS; OBJECTIONS

A. Whenever the City Council deems it necessary to make any improvements allowed by statute which are to be funded by a levy of special assessment on the property especially benefited, the council shall by ordinance create a paving, graveling, or other improvement district and after the passage, approval, and publication or posting of such ordinance shall publish notice of the creation of any such district for six days in a legal newspaper of the city, if a daily newspaper, or for two consecutive weeks if a weekly newspaper. If no legal newspaper is published in the city, the publication shall be in a legal newspaper of general circulation in the city.

B. If the owners of the record title representing more than 50% of the front footage of the property directly abutting on the street or alley to be improved file with the city clerk within 20 days after the first publication of such notice written objections to the creation of such district, such improvement shall not be made as provided in such ordinance but the ordinance shall be repealed. If objections are not filed against the district in the time and manner prescribed in this section, the City Council shall immediately cause such work to be done or such improvement to be made, shall contract for the work or improvement, and shall levy assessments on the lots and parcels of land abutting on or adjacent to such street or alley especially benefited in such district in proportion to such benefits to pay the cost of such improvement. (Neb. Rev. Stat. §17-511)

SECTION 6-215: IMPROVEMENT OF MAIN THOROUGHFARES

The City Council shall have power by a three-fourths vote to enact an ordinance cre-

ating a paving, graveling or other improvement district and to order such work to be done without petition upon any federal or state highways in the city or upon a street or route designated by the council as a main thoroughfare, connecting to either a federal or state highway or a county road. The council shall contract therefor and shall levy assessments on the lots and parcels of land abutting on or adjacent to such street, alley or alleys especially benefited thereby in such district in proportion to such benefits to pay the cost of such improvement. (Neb. Rev. Stat. §17-512)

SECTION 6-216: CONSTRUCTION ASSESSMENT AND COLLECTION

Assessments for improvements made under the provisions herein shall be made and assessed in the following manner:

A. Such assessments shall be made by the City Council at a special meeting, by a resolution, taking into account the benefits derived or injuries sustained in consequence of such improvements, and the amount charged against the same, which, with the vote thereon by “yeas” and “nays,” shall be spread at length upon the minutes. Notice of the time of holding such meeting and the purpose for which it is to be held shall be published in a newspaper published or of general circulation in said city at least four weeks before the same shall be held or, in lieu thereof, personal service may be had upon persons owning or occupying property to be assessed.

B. All such assessments shall be known as “special assessments for improvements” and shall be levied and collected as a separate tax, in addition to the taxes for general revenue purposes, and shall be placed on the tax roll for collection, subject to the same penalties and collected in like manner as other city taxes.

C. In the event the property owner is a non-resident of the county in which the property lies, the city shall, before levying any special assessment against that property, send a copy of any notice required by law to be published by means of certified mail, return receipt requested, to the last known address of the non-resident property owner, which shall be that address listed on the current tax rolls at the time such required notice was first published.

(Neb. Rev. Stat. §17-524)

SECTION 6-217: IMPROVEMENTS WITHOUT PETITION OR CREATION OF DISTRICT

A. The city may, without petition or creating a street improvement district, grade, curb, gutter, and pave:

1. Any portion of a street otherwise paved so as to make one continuous paved street, but the portion to be so improved shall not exceed two blocks, including intersections, or 1,325 feet, whichever is the lesser;
2. Any unpaved street or alley which intersects a paved street for a distance of not to exceed one block on either side of such paved street; and

3. Any side street or alley within its corporate limits which connects with a
ma-

for traffic street for a distance not to exceed one block from such major traffic street.

B. Those improvements may be performed upon any portion of a street or alley or any unpaved street or alley not previously improved to meet or exceed the minimum standards for pavement set by the city for its paved streets.

C. In order to defray the costs and expenses of these improvements, the mayor and City Council may levy and collect special taxes and assessments or issue paving bonds as provided in Neb. Rev. Stat. §18-2003.
(Neb. Rev. Stat. §§18-2001 through 18-2004)

SECTION 6-218: VACATING PUBLIC WAYS

A. Whenever any street, avenue, alley, or lane is vacated, the same shall revert to the owners of the abutting real estate, one-half on each side thereof, and become a part of such property unless the city reserves title in the ordinance vacating such street or alley. If title is retained by the city, such property may be sold, conveyed, exchanged, or leased upon such terms and conditions as shall be deemed in the best interests of the city.

B. When a portion of a street, avenue, alley, or lane is vacated only on one side of the center thereof, the title to such land shall vest in the owner of the abutting property and become a part of such property unless the city reserves title in the ordinance vacating a portion of such street or alley. If title is retained by the city, such property may be sold, conveyed, exchanged, or leased upon such terms and conditions as shall be deemed in the best interests of the city.

C. When the city vacates all or any portion of a street, avenue, alley, or lane, the city shall, within 30 days after the effective date of the vacation, file a certified copy of the vacating ordinance with the county register of deeds to be indexed against all affected lots.

D. The title to property vacated pursuant to this section shall be subject to the following:

1. There is reserved to the city the right to maintain, operate, repair, and renew public utilities existing at the time title to the property is vacated there; and
2. There is reserved to the city, any public utilities, and any cable television systems the right to maintain, repair, renew, and operate water mains, gas mains, pole lines, conduits, electrical transmission lines, sound and signal transmission lines, and other similar services and equipment and appurtenances, including lateral connections or branch lines, above, on, or below the surface of the ground that are existing as valid easements at the time title to the property is vacated for the purposes of serving the

general public or the abutting properties and to enter upon the premises to accomplish such purposes at any and all reasonable times.

(Neb. Rev. Stat. §17-558)

Article 3 – Sidewalks

SECTION 6-301: DUTY TO KEEP CLEAN; PERSONS INJURED; REMOVAL BY CITY

A. It shall be unlawful for the occupant of any lot or lots or the owner of any vacant lot or lots within the corporate limits to allow snow, sleet, mud, ice, or other substance to accumulate on any sidewalk or to permit any snow, sleet, ice, mud, or other substance to remain upon said sidewalk. All sidewalks within the Business District shall be cleaned within six hours after the cessation of a storm, unless the storm or fall of snow shall have taken place during the night, in which case the sidewalk shall be cleaned before 12:00 noon the following day; provided, sidewalks within the residential areas of the city shall be cleaned within 24 hours after the cessation of the storm.

B. In the event any person shall be injured in body or property by reason of the neglect, failure, or refusal of any occupant or owner to clear the sidewalks contiguous to the premises occupied or owned by him or her of snow and ice, and such person shall recover damages and costs from the city for injuries so sustained, such owner shall be liable to the city for the amount of the damages and costs so recovered and the city may sue and recover the same at law.

C. Should any occupant or owner of any lot, land, or real estate neglect, refuse, or fail to remove the snow and ice from the sidewalks contiguous to the premises owned or occupied by him or her, it shall be the duty of the police chief to notify the occupant or owner to remove the same. Should such owner or occupant fail to comply with the notice so given within the shortest reasonable time, the police chief shall cause the same to be removed at the expense of the city, to be recovered by the city from such owner or occupant before any court of competent jurisdiction.
(Neb. Rev. Stat. §§17-557, 17-557.01)

SECTION 6-302: CONSTRUCTION OR REPAIR ORDERED BY CITY

A. Every owner of any lot or piece of land within the corporate limits shall at all times keep and maintain the sidewalk along and contiguous to said lot, lots, or pieces of land in good and proper repair and in a condition reasonably safe for travel for all travelers thereon.

B. The City Council may by resolution order the construction or repair of a sidewalk on any lot or piece of ground within the city and may assess the expense thereof on the property in front of which such construction or repairs are made, after having given notice of its intention to do so:

1. By publication in one issue of a legal newspaper of general circulation in the city; and
2. By causing a written notice either to be served upon the occupant in pos-

session of the property involved or to be posted upon such premises ten days prior to the commencement of such repair. Such service shall include a form of return evidencing personal service or posting as herein required.

C. The powers conferred under this section are in addition to those provided in Neb. Rev. Stat. §§17-509 to 17-521 and may be exercised without creating an improvement district.

SECTION 6-303: SPECIAL ASSESSMENTS

Assessments made under the provisions of Section 6-302 shall be made and assessed in the following manner:

A. Such assessment shall be made by the City Council at a special meeting, by resolution, taking into account the benefits derived or injuries sustained in consequence of such improvements, and the amount charged against the same, with the vote thereon by “yeas” and “nays” spread at length within the minutes. Notice of the time of holding such meeting and the purpose for which it is to be held shall be published in some newspaper published in or of general circulation in the city at least four weeks before the same shall be held or, in lieu thereof, personal service may be had upon persons owning or occupying property to be assessed; and

B. Every such assessment shall be known as a special assessment for improvements and shall be levied and collected as a separate tax in addition to the taxes for general revenue purposes and shall be placed on the tax roll for collection, subject to the same penalties and collected in like manner as other city taxes.
(Neb. Rev. Stat. §17-524)

SECTION 6-304: CONSTRUCTION; UNIMPROVED LOTS

In the event the owner of an improved lot should own an unimproved lot or lots contiguous to the improved lot, a sidewalk shall be constructed on the contiguous unimproved lot or lots, as well as on the improved lot. (Neb. Rev. Stat. §17-522) (Ord. No. 2012-1065, 12/17/12)

SECTION 6-305: CONSTRUCTION BIDS

A. Whenever the city shall construct, widen, replace or reconstruct any sidewalk, notice prepared by the city attorney specifying the work to be done and calling for bids for doing such work and supplying the necessary materials and labor shall be published in at least one issue of a legal newspaper of general circulation in the city; provided, bids so invited shall be filed in the office of the city clerk within ten days after the date of publication.

B. Bids shall be opened at the next regular or special meeting of the City Council and the council shall then award the work to the lowest responsible bidder.

Upon approval of the work, the council may require the contractor to accept payment in certificates issued to him by the city clerk, entitling him to all assessments or special taxes against such real estate whenever such assessments or special taxes shall be collected together with the interest or penalty collected thereon. Each certificate shall give the legal description of the lot, lots, or parcel of ground against which the assessments or special taxes are assessed. Such certificate or certificates may be assigned and transferred, entitling the holder to the same rights as if held by the original contractor.

C. The county treasurer shall pay over to such contractor or other holder of the certificate or certificates all assessments or special taxes against such real estate, together with the interest and penalty thereon, at any time upon presentation of such certificate or certificates after said assessments or special taxes against such real estate together with interest or penalty thereon shall have been collected.

SECTION 6-306: CONSTRUCTION OR REPAIR BY OWNER; APPLICATION; PERMIT

A. Any person desiring to construct or cause to be constructed any sidewalk shall do so only as herein provided. It shall be unlawful for any person to construct any sidewalk without first having obtained a permit. Said owner shall make application in writing for a permit and file such application in the office of the city clerk. The permit shall give a description of the lot or piece of land along which the sidewalk is to be constructed. The utilities superintendent shall issue the desired permit unless good cause shall appear why said permit should be denied.

B. All sidewalks shall be built and constructed on the established grade or elevation, and if there is no established grade, then on the grade or elevation indicated by the utilities superintendent. If it is desired to construct the sidewalk at any other than the regularly prescribed location, grade, elevation, and thickness, the utilities superintendent shall submit the application to the City Council, which shall determine whether the permit should be granted or denied.

SECTION 6-307: CONSTRUCTION BY PETITION; IMPROVEMENT DISTRICT; SPECIAL ASSESSMENTS; ABUTTING OWNER

A. If the owners of the record title representing more than 60% of the front footage of the properties directly abutting upon the street proposed to be improved with a sidewalk shall sign a petition and present it to the city clerk for filing, petitioning therefor, the City Council shall by ordinance create a paving or other improvement district, cause such work to be done or such improvement to be made, contract therefor, and levy special assessments on the lots and parcels of land abutting on or adjacent to such streets or alleys specially benefited thereby in such district in proportion to such benefits, except as provided in Neb. Rev. Stat. §§19-2428 to 19-2431, to pay the cost of such improvement. The City Council may deny the formation of the proposed district when the area has not previously been improved with a water system,

sewer system, and grading of streets. If the council denies a requested improvement district formation, it shall state the grounds for such denial in a written letter to interested parties.

B. Upon the petition of any property owner who is an abutting owner in fee simple of property subject to assessment for sidewalk improvements, the City Council may order permanent sidewalks built in accordance with this article upon the owner making, executing, and delivering to the city an agreement to the effect that the petitioning freeholder will pay the engineering service fee and all other incidental construction costs which until paid shall be a perpetual lien upon the real estate along which the owner desires such sidewalk to be constructed and that the petitioner gives and grants to the city the right to assess and levy the costs of such construction against the owner's real estate abutting the sidewalk improvement and promises to pay such costs with interest. The total cost of such improvement shall be levied, allocated, financed, and specially assessed as provided by law.

C. In the event the property owner is a non-resident of the county in which the property lies, the city shall, before levying any special assessment against that property, send a copy of any notice required by law to be published by means of certified mail, return receipt requested, to the last known address of the non-resident property owner, which shall be that address listed on the current tax rolls at the time such required notice was first published.

(Neb. Rev. Stat. §17-510)

SECTION 6-308: DANGEROUS STAIRWAY

It shall be unlawful for any person to construct or maintain any stairway, open cellarway, open basement way, or open entrance thereto in or adjacent to any sidewalk, pavement, or street. Any such entrance is hereby declared to be a public nuisance; provided, all existing stairways, open cellarways, open basement ways, or open entrances thereto in said sidewalks, pavements, or streets may be permitted to remain from and after the passage, approval, and publication of this code if said person owning or using said opening in the sidewalk or street shall satisfy the utilities superintendent that the same is properly protected by a balustrade or coping of durable material and shall furnish the city with a bond in such amount as the City Council may set for the benefit of any person who might suffer an injury or damage by reason of the use of said stairway, cellarway, or open basement way. (Neb. Rev. Stat. §17-555)

Any person who shall violate or refuse to comply with the enforcement of any of the provisions of this chapter, set forth at full length herein or incorporated by reference, shall be deemed guilty of an offense and upon conviction thereof shall be fined not more than \$500.00 for each offense. A new violation shall be deemed to have been committed every 24 hours of such failure to comply.
